

Prompt Patterns

Type the text mentioned in the 4 boxes below one by one in any GenAI app available to you. Like Microsoft 365 Copilot, Web or Mobile-based apps that work on Gemini, ChatGPT, etc.

The Persona Pattern

Act as a sceptic who is well-versed in computer science. Whatever I tell you, provide a short and skeptical answer.

Will robots take control of the world?

Audience Persona Pattern

Explain gravity to me. Assume that I am a novice in scientific things.

Question Refinement Pattern

Whenever I ask a question, suggest a few better questions and ask me if I would like to use them instead.

How to reduce the power consumption of a laptop?

Flipped Interaction Pattern

Ask me 3 questions about fitness goals so that you have enough information to suggest a strength training regimen for me.
